THE OFFICE

Orsman Road is a newly constructed, sustainably-focused building in Haggerston comprising over 34,000 sq ft and 5 floors of flexible & Managed workspace.

Designed by Shoreditch-based architects Waugh Thistleton, leaders in engineered timber and environmentally sustainable architecture, the design combines cross laminated timber with steels, left exposed to provide open floorplans and a unique interior.

Sitting on the bank of the Regent's Canal, the waterside space features private and communal roof terraces with inspiring views across the City and along the canal.

The building benefits from a prominent frontage overlooking Regent's Canal, just west of the junction with Kingsland Road and just a 4 minute walk to Haggerston overground station.
