1 Poultry, Bank, EC2R 8EJ

Location

In the very heart of London (and Britain's) financial district, WeWork 1 Poultry shares its postcode with the world's biggest financial institutions. Situated in the aptly named Bank - which refers to the Bank of England - the entire area is associated with business. Not only does this location call the Bank of England a neighbour, it is also a part of the original Roman settlement of Londinium - you can't find richer heritage than that!
