2 John Street, Holborn, WC1N 2ES

Location

These offices are close to Chancery Lane tube station and surrounded by an amazing range of bars and cafes.

Description

Our John Street office space is a real find. This understated 17th-century Georgian workspace houses a grand central staircase, a number of ornate fireplaces, high ceilings and renovated vaults. It really is something special. The interiors have a chic country house vibe complete with restful woodland-themed murals, forest-inspired wallpaper and muted colours, all designed to complement the building's original period features.

There's even an outdoor space for you to sit back and enjoy a little down time – not something many central London offices can boast. It's close to Chancery Lane tube station and surrounded by an amazing range of bars and cafes.
